I hereby apply for an exception to Grangeville City Code. I have discussed the beer garden plan with the Chief of Police or designee and agree to comply with all requirements as specified by the Chief and City Council. I understand the Police Department has the right of inspection at the location. The Chief of Police or designee, with good cause, has the authority to suspend the operation of the site (i.e. violation of requirements, alcohol violations etc.) with a report forwarded to ABC for administrative action.
