

ART *in the* PARK

JULY 4 & 5, 2019

Two-day arts and crafts fair in downtown Grangeville during all the fun and action Border Days 2019 offers.

The Grangeville Centennial Library is once again sponsoring the annual Art in the Park celebration. We are looking for vendors for this year's event. As noted, the event will be two days again this year, Thursday, July 4 10am to 6pm and Friday, July 5 10am to 4pm.

Complete application and return to library by May 15, 2019 to secure your location. Preference will be given to returning vendors as well as vendors who sign up to attend both days (one day event booths will be available). June 15, 2019 will be the last day we accept applications for Art in the Park.
