

This form is to be used as a guide and any other information you would like to add is welcome. Please complete a plot plan of your property using the reverse side or an attached paper (see example below). Please include all items listed below.

- Name and Address
- Lot size
- Label any streets or alleys that abut the property
- Draw all existing structures (home, deck, garage, sheds or other structure) with dimensions labeled
- Draw the proposed structure(s) with dimensions (width, length and height)
- Label the distances from the property line to the proposed structure
- For new Residential Construction or conversion to Multi Units, label 2 off street parking spaces per unit

Hall Street

John Doe  
300 N. Hall
